

A Taste of Germany

Germany is Europe's biggest economy. Products "Made in Germany" are appreciated in the whole world.

Tourists from Germany are travelling across the globe. 55 million Germans spend at least a week on holiday abroad each year.

Germany has over 25,000 old castles, festivals with millions of visitors, technology and culture fairs to offer. It is the number one destination in Europe.

Facts About the German Language

German words almost always sound the way they are spelt.

The German language lets you join many words and create longer new words.

In other languages you need a sentence, in German just a single word for the same thing.

German has many common words with English, which makes it easier to learn.

Benefits of Learning German

German is an interesting and beautiful language. If you learn German, you can speak with 130 million native speakers.

It helps boost career opportunities in Business, Science and Technology as well as your access to high-ranking universities.
